The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for "Walnut Street Sewer Project" in fiscal year 2024.

The entity to receive funding for this project is Town of Foxborough, located at 40 South Street Foxborough, MA 02035.

The funding would be used for a sewer extension to connect to existing sewer main on Central St at the Route 95 overpass. It will be a low-pressure sewer design that will include individual pump chambers for each building to connect to a force main. The system will also accommodate Walnut Terrace (existing Housing Authority homes with failed septic system), Walnut Lodge & the Foxborough Area Health Center on Walnut St. The project is an appropriate use of taxpayer funds because the sewer project will unlock development potential of 16 acres for a 100% affordable housing project. Sewer expansion will directly supportive low-income seniors.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

**JAKE AUCHINCLOSS**  
Member of Congress
